Hi:

October has been a very busy month. Leucetia and I went to the mountains for our last week's vacation for 2004. We arrived Sunday afternoon the 17th. Monday was a rainy day so we had to drive the car. We visited Randy and Kim Latham at Volunteer Cycles (Chapter Directors for Sieverville TN) and caught up on what their chapter activities for the week we would be there. As usual they were very hospitable and invited us to join them at a "tire kick" on Thursday night and a "Bonfire" Saturday night. We left their shop and drove to Grandfather Mountain, which was totally fogged in, then drove on to Blowing Rock. Tuesday the weather was much better and we were able to ride the Goldwing. We visited Chimney Rock via the Blue Ridge Parkway. Wednesday we slept late and went to Gatlinburg to look for the boot store where Leucetia had purchased her previous pair of boots. Since that was about five years ago the store no longer existed. So we took off on the bike to Cade's Cove in the Smokey Mountain National Park. Thursday we found Leucetia some boots and went to the "tire kick" with the Chapter G-2 group. Then we went back into Pigeon Forge with club members to listen to a free blue-grass concert. Friday we rode Deal's Gap and purchased our T-shirts. Saturday we spent riding the mountains and enjoying nature. Unfortunately the "Bonfire" Saturday evening was rained out. We returned home Sunday through horrendous traffic. It took us five hours to travel 200 miles.

Saturday October 30th we made our annual trip to the "Sweet Potato Festival. Attendance was excellent with George & Pat, Dave & Pat Ventry, Mike, Aaron & Edna, from Columbia TN, Gus & Phillip and approximately seven other members of the Christian Motorcycle Assn. After a breakfast break in Thomasville we proceeded to Ocilla just in time to catch the parade. Then we went on to the rally site where we spent what money we had at the vendors. Lenton, George and Sonny solicited all the vendors to attend our rally in February. Let's hope this turns out to be productive. Lenton
